

Blood of Jesus Prayer

Father, I want to thankfully acknowledge and receive the Blood of the Lord Jesus Christ and the Power of His completed work on the Cross of Calvary into and over my own life and that of my bloodline family members as well as my spouse and their bloodline family members.

I apply the Power of Jesus Christ's Intercessory Birth, Life, Death, Resurrection and Ascension over the Doorposts (Vertical) and Lintels (Horizontal Aspects) of my life and that of my family line. I receive this Justifying, Reconciling, Propitiating, Regenerating, Healing, Delivering, Cleansing, Sanctifying, Consecrating and Protecting Power into and over my life and that of my family line.

I appropriate the Blood's effect over the molecular elements of my Created Being; my Spirit, my Soul, and my Body; as well as over my mind, will, and emotions and my conscious, subconscious and unconscious minds.

I Apply the Blood of Jesus over my thoughts, words, and deeds/actions as well as over the beliefs that create the motivations and intents of my heart; over all my relationships; past, present, and future and the Metron and Sphere of Authority and Influence that You, Father, have granted to me at this present time.

I receive this finished work of the Cross of Christ over my Identity with all of its purpose and giftings; over my health, my finances, possessions, lands and inheritances and every area of life where You, Father, intend Blessing and Freedom

for me and where the enemy afflicts and robs me and my family.

Lord, as I open my spirit and soul's mind, will or emotions to be schooled, trained, counseled, ministered to or influenced in any way or as I teach, train, minister to or influence others, I ask that Jesus' Blood and Cross will be a filter of selection and protection over what flows into me or through me.

Holy Spirit, as I surrender my entire life to You, I ask You to do for me and through me what I cannot do for myself; and to lead, guide and direct; correct and protect me in all of the paths of Your choosing for my life each day.

AMEN
